JOSE NUNEZ

**MEMBER OF
THE MONTH**

LOS ANGELES VALLEY COLLEGE • JUNE 2021

Jose is a first semester nursing student who has hit the ground running. His passion for nursing is evident as he always puts the needs of the patients first. His genuine compassion for people just adds to his want to help people. On top of that, he works with everyone in his cohort and always helps his peers try to master new concepts. He is an example of what every nursing student should strive to be.

Do you know someone who exhibits CNSA's core values of professionalism, mentorship, leadership, stewardship, advocacy & activism? Following a year of hardship and challenges, we want to recognize our members for their ability to adapt and overcome these challenges. As an organization, we see the need for unity and want to showcase these great individuals we get to call members. Please [Click Here](#) and fill out the form with their achievements and acts of service that you believe they need recognition.

Member of the month will be announced in the third week of each month. After being nominated, this person will be announced on all social media platforms as well as on the Shift Report in the following month. At this year's convention we will compile all of the "Member of the Month's" and pick CNSA's first member of the year which will receive an award/gift.
