Community Health

For the month of September we have a Childhood Obesity Toolkit.

The graphic features the CNSA logo (California Nursing & Licensed Reciprocity Association) and the text "SEPTEMBER 2020 COMMUNITY HEALTH" at the top. The main title "NATIONAL CHILDHOOD OBESITY AWARENESS MONTH" is written in large, bold, white letters, surrounded by a variety of colorful flowers including pink, blue, and white blooms. Below the title, the text "IN THIS TOOLKIT:" is followed by a bulleted list: "About Childhood Obesity", "Ways to Support Healthy Growth", "Educational Materials", and "Resources". At the bottom of the graphic is a dark green button with the text "Childhood Obesity Toolkit" in white.

2020 - Year of the Nurse and Midwife

To celebrate the World Health Organization honoring 2020 as “Year of the Nurse and Midwife”, we will be taking time to highlight a nurse each month who has made an impact on the world of nursing.

Fun fact: Bullough is the author of over 30 books and 100 articles.

Seeking All Resolution Writers!

Are you passionate about an issue in healthcare? Would you like to make a difference at the state, and possibly national level?

A resolution is a great way to make change or increase awareness of issues you are passionate about. The number of issues and topics to choose from are endless.

Why write a Resolution?

- Resolutions help increase awareness and/or create change in legislation, and when adopted by CNSA they become the basis of policies, priorities and actions of CNSA.
- Resolutions are position papers that address pertinent issues which direct the priorities of the organization in which it was passed.
- These position papers represent matters of importance to CNSA constituents, members, chapters, nursing and/or the health needs of the public.

These resolutions are presented at CNSA State Convention and may be presented at National Convention. In addition to all the benefits of making an influence in healthcare, these resolutions can also be added to your personal portfolio!

Final Draft Deadline - September 11th

If you have any questions regarding the process, feel free to contact CNSA's Legislative Director, JR via email leg@cnsa.org.

CHAPTER RESOURCES

The CNSA Social Media Toolkit is provided to help CNSA Chapter's and its members establish a social media presence. These guides will help you manage social media accounts and implement best practices in order to effectively reach and communicate with nursing students. All CNSA Chapters are encouraged to use these tools and to engage regularly on social media platforms.

Council of Chapter Presidents

The purpose of the Council of Chapter Presidents Committee is to continually deliver the necessary resources for chapter presidents to structure and sustain chapter functions that emphasize the value in the relationship between our members and the organization, cultivate leadership in our members, and ultimately promote the association. Every chapter president is automatically a member of the Council during the term of their presidency. If you are the President of your chapter, please take a moment to fill out the link below.
