California Nursing Students' Association

- 2026 -

The California Nursing Students' Association has been committed to enhance the professional growth of nursing students from across the state of California for over **40 years!!**

Why participate at the 2026 CNSA Convention?

This is a two day event that brings CNSA members together from all over the state. Our program offers multiple education sessions, our House of Delegates, annual business meeting and state elections. There is a designated Exhibit Hall where exhibitors are assigned booths. Space is limited to 60 exhibitors.

Your support advances CNSA's mission to provide the latest educational programs to our attendees. Convention offers an excellent venue for participation and marketing. This year we have additional expanded opportunities for exhibitors to "upgrade" their involvement to better promote your products, showcase your services and share your message.

Your company or organization will...

- Get exposure to our almost 5,000 nursing students in California through email and social media
- Meet many new prospects from all over California.
- Enjoy an active show schedule with over **10 hours of exhibit time** – Including refreshments and lunch to draw traffic and encourage repeat visitors.
- Connect with virtual attendees and generate leads through our convention app.
- Access to registered attendee list (See Additional Information)
- Exhibitor Lead retrieval system. Scan attendees names in person.
- Virtual Exhibiting Opportunities through the Convention App.
- Each Exhibitor or Sponsor will have an online presence in our Virtual Exhibitor Space.

Space is limited, and we anticipate selling out.

In Person Exhibit Area

This is a pipe and drape show. All beverage breaks and meals are located in this area to drive traffic to you. We are anticipating more than 500 in-person attendees.

Premier table placement is granted to Sponsors. A layout will be sent in advance. We will attempt to follow the preferences and special requests you note in your online registration when assigning tables; space assignment priority for non-sponsoring exhibitors will be based on the date of receipt of the Exhibitor Registration Form and payment.

Virtual Option

If you can't physically be at the convention, that is not a problem! There are several ways that your company or organization can participate in presenting your services and products to our members. Becoming a virtual exhibitor or sponsoring one of the many options that are available in this prospectus are all possibilities. See more details in this prospectus.

The biggest reason to participate in our Convention:

***We are the largest chapter of NSNA
in the country with almost 5,000 members.***
